Dear Ms. Miller:

The Division of Oil, Gas and Mining has not received annual reports for the listed mines for the years 2012 and 2013. Please submit these reports. In the absence of these reports, the Division will assume mining activities were in a state of temporary suspension. An operator is required to notify the Division if mining operations are going to be suspended for two or more years.

Questions about this letter may be directed to April Abate at 801-538-5214 for the Amis #1 quarry; to Wayne Western at 801-538-5263 for the Torrey Buff, Lucero Red, and Weston #1 quarries; or to me at 801-538-5261.
